# Seniors Sign Out The Rappahannock '76

This is "The Way We Were" in the Bicentennial year at Rappahannock. The year 1976 was a good year; much was accomplished through academics, sports, and club activities. Sit back and review the Bicentennial year at R.H.S. Your means of travel will be the Rappahannock '76, "Bon Voyage!"

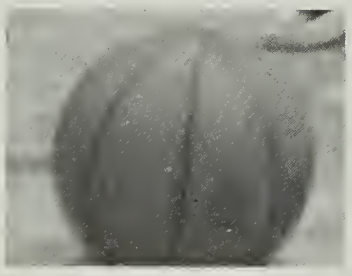
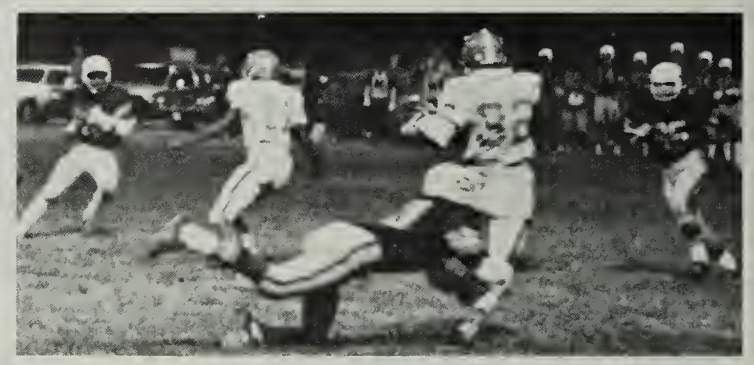
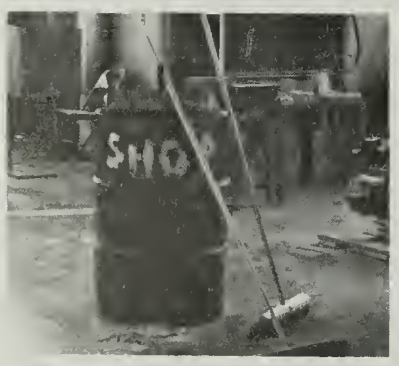
# We Dedicate the Bicentennial Edition of the Rappahannock '76 to You

Because of your cooperation and personal involvement, Mr. Fred Pitman, we dedicate the 1975-76 annual to you. The help, guidance, and understanding that you have shown us makes our school years a little more meaningful and reassuring.

STOMP EAGLES







# The Way We Were!!!

That small phrase alone causes us to remember things of the past. As you go through this yearbook, I am sure you will find many good memories to reflect upon.

Take a long look down that hallway. You will see yourself and your friends gathered around in little huddles trading bits and pieces of gossip or talking about tricks played on them . . . the new teachers who aren't as dumb as you thought they were . . . the new students and seeing how everyone is afraid to break the ice first . . . the over-due reports, lost report cards . . . library books . . . the games and meets we won or lost . . . the last six weeks finally here . . . prom night . . . the last will and testament reading and finally graduation!!!

It comes to an end only to begin anew in September for another group of Raiders. One thing we, the class of '76, will always have, that will never end, is our memories of good ole RHS and the years we spent here!!!

Everybody enjoying themselves at a party.

Please Chantal, will you forgive me?

No, I have a cute date sitting over in the corner.

After being delayed twice, the Senior representation of the play, "If a Man Answers," was a great success. It will be a memorable play for those who came and saw it and for those who participated in the play. Our many thanks to Mr. and Mrs. Kurczak, Mrs. Lemons, and Mr. Wynn for having the patience needed in putting on this play.

We'll map out a campaign

This year the S.C.A.'s most successful project was the "Great Hour of Sharing" at Christmas. The S.C.A. collected $28 and three boxes of food for two families. The project was successful at Thanksgiving also. Later in the year, the SCA undertook a Bicentennial Week and a Sock Hop.

# FBLA Collected $63.65 for March of Dimes

The FBLA had an interesting and active year. The monthly meetings featured activities related to the world of work. Presentations included guest speakers, discussion groups, games, and filmstrips, all focusing on the opportunities that the business world offers.

We participated in the National March of Dimes drive. The members distributed patriotic pins to the persons who made contributions to the March of Dimes. Thus we reminded citizens of the Bicentennial Celebration as well as accepting contributions for a worthy cause.

**(Left)** President, Jean Hinson, and Sponsor, Mr. Sampson, discuss plans for the March of Dimes Drive. **(Above)** Members work on the bulletin board of FBLA week.

The Rappahannock Chapter of DECA was quite active this year. In conjunction with the 10 schools in their district, they celebrated the Bicentennial by organizing a field trip to Stratford Hall and a picnic at Westmoreland State Park. DECA officers, after being installed by the 1974-75 DECA President, attended an Officer's Training Conference at Virginia Commonwealth University.

On Wednesday, February 18, the DECA club attended the annual District XVII Leadership Conference at Essex High School. During this conference, ten schools participated in several competitive events designed for either DE I, DE II, or DE III students. A banquet was held at the Essex Steak House and awards were presented. From Rappahannock, Nancy Smith, placed third in parliamentary; Ed Brown, second in sales demonstration, Carroll Wilkins, third in group sales demonstration, and Pam Vicik, third in public speaking.

After many long months of DE preparation, Richard now looks for a job.

The annual Science Fair was held in April, 1976. It was really a big success — two projects even advanced to the Regional, held at Rappahannock Community College. Because of the rumors of stiff competition, everybody put forth their best efforts; and in one way or another, everyone came up winners. GREAT WORK!

# Rappahannock's Mighty, Mighty Marching Raiders

The Rappahannock High School "Mighty, Mighty Marching Raiders" were participants in many activities during the 1975-76 school year. The Marching Raiders participated in the Tobacco Festival, Richmond; Lancaster Marching Band Festival, Kilmarnock; The Montross Fall Festival, Montross; and the Warsaw Fall Festival, Warsaw.

The Symphonic Band gave several performances. They performed in the Solo and Ensemble Contest, All Area Band, Junior Miss Contest, and provided music for several civic activities.

# RHS Sent Three Forensic Contestants to State

The year began with more than ten students trying out for a place in Forensics competition. Hard work and long hours of practice benefited seven of these students in February when the annual Forensics elimination contest was held.

To represent R.H.S. in the following District competitions in January were Mary Albert, Extemporaneous Speaking; Pamm Vicik, Original Oratory; Sheryl Angolia, Girls' Poetry; Mary Bev Sanford, Girls' Prose; Anthony Robinson, Spelling; and Darrell Shelton, Boys' Poetry. Sheryl, Pamm, and Darrell represented R.H.S. in the State competition at Charlottsville on March 27, 1976.

Five out of seven placed in the District. Four will go on to the Regional Meet.

Debate Sponsor, Mr. Wood, lends a helping hand to the "Rookie" Forensic Sponsors, Mr. May and Miss Williams.

The Rappahannock Debate Team was composed of Robert Ryland and Mark Scott on the affirmative side and Jay Winstead and Doug Jesse on the negative side. The team had an active year debating the resolution that "the allocation and development of scarce world resources be controlled by an international organization."
The team enjoyed a frolicking overnight trip to Madison College, where they were involved in a special tournament.

Captain of this year's team was Robert Ryland.

The Regional debate competition held on Saturday, March 20, brought RHS two more honors. The negative team, Doug Jessie and Jay Winstead, won first place. The affirmative team, Mark Scott and Robert Ryland, won second place even though they won all their debates.

# Health Aides Visited Hospital, Assisted Red Cross Prepared Meal, and Worked at T.M.H.

The Health Aides Class completed its eleventh year in the old Home Economics cottage at Warsaw Elementary School.

The first activity of the year was to visit the Crippled Children's Hospital in Richmond. The Crippled Children's Hospital helps newborn babies to young people the age of 18. The girls saw some of the equipment, visited the rooms and talked with some of the patients.

The next activity was the Red Cross Blood Mobile. The Girls helped by taking the temperature and pulse of each donor, giving them a glass of orange juice, helping the Red Cross Nurses, acting as guides and helping to serve refreshments before the donors left. They helped with this again in the Spring.

The students had a unit in nutrition for the sick and the well. They finished this unit by preparing a meal for the Richmond County School Board and the Richmond County Board of Supervisors.

During the second semester the students went to the Tidewater Memorial Hospital in Tappahannock. There they gave baths, made beds, helped walk patients, and performed other activities which gave them experience in Nurse's Aide work.

The newly formed Drama Club, sponsored by James Kurczak, had an extremely successful year on the stage. Two plays — Gallow's Hill and Perils of Priscilla — were presented. Gallow's Hill was given a superior rating at the District Play Competition which was held at King George High School on March 1.

On March 19, the cast, crew, and sponsors went to West Point for the Regional Contest. Rappahannock High School again received a "superior rating."

## *Newspaper Won Trophy Class Award*

Four issues of the **Rappahannock Yell** were published by the Newspaper staff. The four issues consisted of a total of 26 pages. There were substantial increases in sales during the year.

The sponsors for the 1975-76 year were: Mr. Bruce Fawver, Mrs. Nancy Jones and Mr. Nick May.

The Yearbook Staff worked diligently during 1975-76 to give THE RAPPAHANNOCK Yearbook a new look. The staff worked on two major areas: (1) to put numerous candids into the book, and (2) to come up with more eye-catching layouts. The book was increased from 102 pages in 1975 to 112 pages in 1976. The Four-color cover of the book added an interesting element to the Bicentennial Yearbook.

# Raiders Reached State

Rappahannock, the Northern Neck workhorse, swept the District and Regional titles before being beaten by Rappahannock County High School in the State Semi-Finals 4-2.

Outstanding hitting by Self, Jackson, N. Burrell, and Pierson triggered the Raiders late season surge. The pitching staff of Dan Veney, Kervin Burrell and Steve Marks was very effective. Fuzzy Dunaway was outstanding in the outfield and Carrington Burrell showed great improvement as a catcher.

Self, Pierson, N. Burrell, and D. Veney were named to the All-District team. Pierson was named to the state VHSL All-Star team.

Senior members of the 1976 Raiders are Keith Self, Otis Jackson, Danny Pierson and Fuzzy Dunaway.

The 1975-76 edition of the Rappahannock Raider Basketball Team can best be described as "outstanding." Picked as low as eighth place in the pre-season rolls, the team finished second in the regular season.

Outstanding leadership by Captains Self Jackson, and Pierson was the key to the team's success. Injuries to several players helped the team jell early in the season.

Frank Reese and Nicky Burrell made second team All-District and Otis Jackson made the All-Tournament team for the third straight year.

Girls' basketball 1975 will long be remembered at Rappahannock High School. Our girls showed the desire and hustle it takes to become champions. Senior leadership by Susan Powell, Cindy Scott, Glenda Dean, and Betty Taylor was a decisive edge in the Raiderettes' favor.

Nine lettermen return next year — great things are expected from them.

# Raiders Had Banner Season

The Raider's Track Team enjoyed another great season with a 5-1 record. Led by high scorers, Greg Brooks and Otis Jackson, the thinclads also finished as runners- up in the District and Regional Meets. The Raiders will send six boys to the State Meet again this year to defend their Group A State Championship.

Seniors running their last year of Track are: Brooks, Jackson, Dungan, Robinson, Shelton, Dunaway and Self.

School records set this year were as follows: Otis Jackson, Triple Jump, 43'2"; Otis Jackson, 440 Yd. Dash, 51.2 seconds; Greg Brooks, Long Jump, 19'8¾".

**(First Row)** A. Newton, D. Mackey, C. Veney, B. Taylor, S. Powell, G. Dean, K. Sanford, A. Douglas. **(Second Row)** A. Hedelt, K. Garland, N. Wilson.

# Raiderettes Won All Season Meets

The 1976 Raiderette Track Team was made up of 22 members. Returning veterans Susan Powell, Betty Taylor, and Nancy Wilson were joined by many new freshmen and sophomores. The Raiderettes won all of their season track meets even though there was strong opposition from Lancaster and Essex High Schools. New school records were: Janice Hinson, Mile, 6:22; Alice Douglas, High Jump, 4'8"; and Nancy Wilson, 220 yd. dash, 26.2. On May 5 the District Track Meet was held at Brentsville High School. Despite many disappointments the Raiderettes finished sixth. Anne Hedelt and Nancy Wilson went on to Regionals held at Manchester High School in Richmond on May 13. Coach Barbara Cottrell looks forward to a winning season in '77.

The 1976 Raiderette softball team enjoyed a very productive season. Important games included two wins over Lancaster High School, Northumberland High School, and Essex High School.

The projected outlook for the 1977 team is very promising because the Raiderettes lose only two players due to graduation.

The leading hitters on the team included Susan Powell, Betty Taylor, and Nancy Wilson.

# School Spirit Enhanced by "Spirit Week"

The 1975-76 Cheerleaders were involved in a number of activities; such as, Spirit Week. Spirit Week was a full week of spirit-oriented activities. The Cheerleaders had a series of spirit days to raise the spirit of students during basketball season. This year the Cheerleaders held a Sock Hop honoring the participants of boys' football and basketball.
